STATE TREASURER OF NORTH CAROLINA

STATE AND LOCAL GOVERNMENT FINANCE DIVISION
AND THE LOCAL GOVERNMENT COMMISSION

DENISE H. CANADA
DIVISION DIRECTOR

July 13, 2026

Dear Local Government Officials,

Staff of the Local Government Commission have recently reviewed data from the audited financial statements submitted for the fiscal year 2025. I am very pleased to notify you that, based on the fiscal year 2025 audited financial statements, the Town of Ramseur is no longer on the Unit Assistance List.

We commend you and your staff for the efforts you made to achieve this goal. We encourage you to continue to maintain the practices that have led to this accomplishment and to look for opportunities to continue to improve your financial health and fiscal management practices. Please note, the LGC reviews the financial statements annually and late submission, declining fiscal position, and/or auditor noted compliance issues can return a unit of government to the Unit Assistance List.

Our staff, especially the Coach Team, remains available to provide guidance or assistance as you continue your work to adhere to the requirements of the Local Government Budget and Fiscal Control Act (LGC).

Sincerely,

Kendra B. Boyle
